Dear Ms. Weeks:

This is a letter of appreciation for allowing us to enjoy your performance today. Our residents really loved the stickers with "U-R Special" on it and are still talking about it.

We hope to see you again soon. Effie Long sends a "U-R Special" hello! Thanks again for your time and support which is most valued by our facility. We'll be looking for you Saturday mornings on Channel 14.

Sincerely,

Maria Kimbro
Activity Director
