Dear Pam:

I can't begin to thank you enough for bringing laughter and joy to our patients (and staff) last week. Your program was certainly uplifting to our patients!

I am also going to take this opportunity to confirm you and Buffy participating in the program on December 9th, you may want to plan to come and get set up around 9am because the Mayors have a tendency to start arriving at 9:30.

Pam, thank you again. Please call me if you have any questions (243-2277).

Sincerely,

A handwritten signature in cursive script that reads "Judy".
