Dear Pam:

On behalf of our staff, patients and residents I want to thank you for the most delightful performance that you so graciously provided for us.

Your poise, friendliness and lovely smile helped our patients and residents in so many ways.

You are a most talented individual and I know that our heavenly Father smiles upon you as you provide entertainment for the handicapped.

We look forward to you coming to us again and we appreciate so much Mr. Cheatwood recommending you to us.

Sincerely,

A handwritten signature in cursive script that reads "Betty".
