Dear Pam:

The children of Polk School District Really enjoyed your Red Ribbon Week Programs. Whether you were performing at the kindergarten, for the first and second grades, or for third through fifth grades, you tailored your message so that it would fit the audience. The musical presentation of COOL IS ME - I'M DRUG FREE was both enjoyable and educational. The "irresponsible" Buffy was a hit with all age groups, including teachers!

Again, thank you. It is always wonderful to have someone as genuine as you are come and be with our students.

Sincerely,

Jean Rhoades
Assistant Superintendent
of 6-12 Curriculum
