Dear Pam and Buffy:

What fantastic performances you gave for our four K-4 schools December 17 and 18 as part of our Drug-Free Schools and Communities program! Your "Cool Is Me--I'm Drug-Free" presentation is wonderful! Your message to say "NO" to drugs, alcohol, and tobacco was given in such a powerful way to our youngsters! Pam and Buffy's understanding of children is just superb!

Thank you for understanding the needs of the children in the various schools. The love and special attention you gave to those children will always remain with them as fond memories of their elementary school experiences. You are both very special individuals that truly give unselfishly to others. Thank you for sharing your special talents with us.

Thank you both for the Christmas card (and present) and the "Thank You" card. I apologize for not sending this letter to you sooner; however, today is the first day of school/work after the holidays! I will try to organize another visit for you to our schools in the Spring and will contact you later after talking with the principals. Thank you again for a job well done! Have a wonderful 1992!

Sincerely,

Mrs. Janeen Josey
